

Science Technician

The Art Technician plays an essential role in fostering a vibrant and creative learning environment within the Creative Arts Department. This position is vital for ensuring the seamless operation of practical lessons, providing essential resources, and maintaining a safe and inspiring studio space. You will be a proactive and indispensable presence, contributing significantly to an engaging and effective learning experience for all pupils as they explore their artistic potential and develop their creative skills.

Core Purpose

The core purpose of the Art Technician is to provide comprehensive technical support to teaching staff within the Creative Arts Department, fostering a secure, organised, and positive atmosphere for artistic exploration. This involves meticulously preparing materials and equipment for lessons, maintaining efficient stock control, and actively upholding health and safety standards. By maintaining an optimal learning environment and offering crucial support and guidance, the Art Technician contributes directly to the safety, well-being, and positive experience of every student, enabling them to engage fully with the curriculum and develop their artistic and design skills effectively.

Key Areas of Responsibility

1. Technical Support and Preparation

- Prepare materials and equipment thoroughly for practical lessons, ensuring all resources are readily available and in optimal condition.
- Maintain and monitor consumables and equipment in Art, Design Technology, and Textiles to ensure all pupils have access to a wide range of materials and processes as part of their Art provision.
- Maintain and monitor stock control of all art supplies and equipment.
- Assist the Director of Learning in the efficient ordering of materials and equipment.
- Provide technical support to staff during lesson time as required, ensuring smooth and effective delivery of practical sessions.
- Support small-group intervention for key exam groups in art, providing focused assistance.
- Work alongside the art department in preparing standardisation materials for exam moderation.

2. Studio Management and Safety

- Carry out weekly material and equipment checks across all Art rooms, identifying any needs or issues.

- Carry out weekly Health and Safety checks on all equipment and report directly to the Head of Department.
- Undertake any Health and Safety training as required by the Director of Learning.
- Comply with the institution's health and safety policy and undertake risk assessments as appropriate.

3. General Duties and Professional Practice

- Assist staff in the production and updating of Creative Art displays, contributing to an inspiring visual environment.
- Prepare and organise art exhibitions throughout the year, showcasing student work.
- Play a full part in the life of the community, to support its distinctive mission and ethos and to encourage and ensure staff and students to follow this example.
- Promote actively the institution's corporate policies.

Safeguarding of Students and Duty of Care

All staff, regardless of role, level of seniority and location, have a responsibility to ensure the highest levels of safeguarding and promoting the welfare of our pupils, and we expect all our staff and volunteers to share this commitment. We must collectively create an environment where children feel safe to learn, play, and grow. Children should feel comfortable in their surroundings and know that they can approach any responsible adult with any problems or concerns.

All staff must be able to identify any children who are at risk of harm, and know the characteristics of abuse or neglect. If you suspect or confirm harm then it's essential you know what actions to take.

Annual safeguarding training is offered to all staff at Leigh Academies Trust, and it is the staff member's responsibility to be aware of the most up to date guidance documented in the [Keeping Children Safe in Education document](#) (Department of Education).
